CREDIT

The Southern Alliance for Physician Specialties CME is accredited by the Medical Association of Georgia to provide continuing medical education for physicians.

The Southern Alliance for Physician Specialties CME designates this live activity for a maximum of 21 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**TARGET AUDIENCE**  
Clinical and academic dermatologists, residents, fellows, and mid-level providers and other allied healthcare providers and students with a special interest in dermatology.

**EDUCATIONAL OBJECTIVES**  
At the conclusion of this learning activity, participants will have:

1. Access and apply new treatment modalities for atopic dermatitis, eczema, psoriasis, acne, and other skin conditions, and to gain knowledge and competence in these therapeutic areas.
2. Describe the safety profile, risks and side effects of new medications; explain how to dose and monitor therapy; and assess their efficacy depending on the severity of disease.
3. Understand what's new in cosmetics and how to improve cosmetic techniques.
4. Identify the use and strategy for the implementation of laser therapy in dermatology.
5. How to understand the mechanism of action of new biologics which implement Jaks and Stats.
6. Identify present and emerging treatment strategies for pediatric dermatology patients.
7. Identify and analyze clinical and histopathologic findings in cutaneous lymphomas.
8. Understand how to implement dermoscopy and interpret the visual results.

**CONFLICT OF INTEREST POLICY**  
It is the policy of the Congress of Clinical Dermatology to require disclosure of any significant financial interest or any other relationship a faculty member or planning committee member has with the manufacturer(s) of any commercial products or services discussed in an educational presentation. The information will be shared with all participants at the conference.
