

CONGRESS OF CLINICAL DERMATOLOGY

presented by the Georgia Society of Dermatology and Dermatologic Surgery

Congress of Clinical Dermatology

May 24 – 27, 2019

Hilton Sandestin

Meeting Information

Program Director:

Eric Billy Baum, MD, MSc

Target Audience:

Clinical and academic dermatologists, residents, fellows, and mid-level providers and other allied healthcare providers and students with a special interest in dermatology.

Meeting Description:

The Congress of Clinical Dermatology is a four-day program designed to provide practicing dermatologists and mid-level providers with an interest in dermatology with a comprehensive update on the diagnosis and treatment of a variety of conditions related to medical, surgical and cosmetic dermatology.

Learning Objectives:

At the conclusion of this learning activity, participants will have:

- Increased knowledge of recent medical advances in the diagnosis, management and treatment of diseases of the skin.
- Reviewed, interpreted and summarized new clinical, scientific and research information in the study of dermatology, dermatologic surgery, pediatric dermatology, dermatopathology and cosmetic dermatology.
- Learned and improved techniques that will allow the physician to offer the best treatment options and care to patients.
- Expanded their expertise in select practical aspects of dermasurgery.
- Compared and contrasted methods in order to fully assess patient needs and treatment options.
- Improved standards of practice.
